FROM :

[REDACTED]
Assistant Legislative Counsels

SUBJECT : Office of Personnel Management Views on State
Draft Bill

1. This Office, in January 1979, forwarded to the Office of Management and Budget CIA views on a State Department draft bill which would if enacted "authorize the head of each agency to establish a health care program for employees and dependents overseas, and to pay travel expenses and cost of treatment of an illness or injury incurred while assigned abroad."

2. Recently, OMB has forwarded for CIA comment the views of the Office of Personnel Management on the State bill. A copy of that letter is attached. Please direct your comments to either of the undersigned not later than close of business 25 April 1979. While the contents of the letter are self-explanatory, we would like to draw your attention to the final paragraph on the second to the last page which directly attacks current programs of CIA and the Department of State.
